

A copy of the asbestos management plans available for your inspection in our central office during regular office hours. The Director or his designee, is our Asbestos Program Manager and all inquiries regarding the plan should be directed to him/her.

We have begun implementing the asbestos management plan. We are intent on complying with federal, state and local regulations in this area. We plan on taking whatever steps are necessary to insure that your children and our employees have a healthy, safe environment in which to learn and work.

Sincerely,

Robert Coleman, Director
